QUESTION

Shall the Board of Education of the Lone Jack C-6 School District, Missouri, be authorized to increase the operating tax levy by \$0.2436 to \$3.4737 per one hundred dollars of assessed valuation in order to provide additional funds to attract and retain quality certified and support staff, maintain its facilities, and meet the operating expenses of the District?

If this proposition is approved, the adjusted operating tax levy of the school district is estimated to be \$3.4737 per one hundred dollars of assessed valuation and will be applied to the assessed valuation in tax year 2022 and each year thereafter.

The District intends to reduce the debt service levy by \$0.2436 per one hundred dollars of assessed valuation in order to offset the estimated \$0.2436 per one hundred dollars of assessed valuation increase to the operating tax levy and will result in no net increase to the total tax levy if this Proposition is approved by the voters.
