Watchers**

Challengers/Watchers

- Sit next to E-Judge and listens for name of the voter. (They can know WHO is voting but not HOW they are voting)
- Do not give out any information besides name of the Voter
- Do not tell them how many voters you have checked in
- Do not show them your tablet screen
- If Challenger "Challenges" a voter, call JCEB

CHALLENGERS

A challenger is a person with credentials signed by the county chairman of the political party or ballot question committee as well as authorized signatures of the Jackson County Election Board Directors. The credentials will identify the town and precinct authorized for the challenger. The challenger and a Supervisory Judge must complete the oath found at the bottom of the credential. The bottom half of the signed oath must be filed in the "Completed Forms" envelope.

A challenger must be a qualified registered voter within the jurisdiction of the Jackson County Election Board. The judges will check the challenger's identification against their credentials to ensure it is the same person approved by JCEB.

Only one challenger from each political party is allowed in a poll. The challengers sit next to Table A and only keep a list of the names of those who have voted. However, the Election Judges are prohibited from sharing the voter's actual piece of identification with the challenger.

If a challenger challenges a voter's right to vote, the Election Judge should contact the Election Board Office immediately for further instructions. All challengers must leave when the last voter exits the poll. Watchers may remain inside the polling location until judges exit.

	CHALLENGERS- ONLY ALLOWED TO SIT NEXT TO E-JUDGE TABLE TO LISTEN FOR THE NAMES OF THE VOTERS WHEN THEY ARE BEING CHECKED IN.	WATCHERS- ONLY ALLOWED TO SIT NEXT TO E-JUDGE TABLE TO OBSERVE THE POLLING LOCATION.
	<ul style="list-style-type: none">• Must have credentials signed by both directors of JCEB.• May be substituted throughout the day.• Challenges may only be made when the challenger believes the election laws of this state have been or will be violated and must report the violation to the judges or election authority.• Prior to the close of the polls, challengers may list and give out the names of those who have voted.• May remain in poll until last voter has voted.• Must leave when the last voter leaves the poll.	<ul style="list-style-type: none">• Must have credentials signed by both directors of JCEB.• Watchers are to watch the counting of the votes and present any complaint of irregularity or law violation to the election judges or election authority.• Watchers may NOT be substituted with another watcher on Election Day.• Watchers may not report the name of any person who has or has not voted.• Watchers are allowed to remain present until all ballots are packed and sealed, equipment taken down, and election materials are packed and returned to the designated collection place for a polling location.

Electioneers

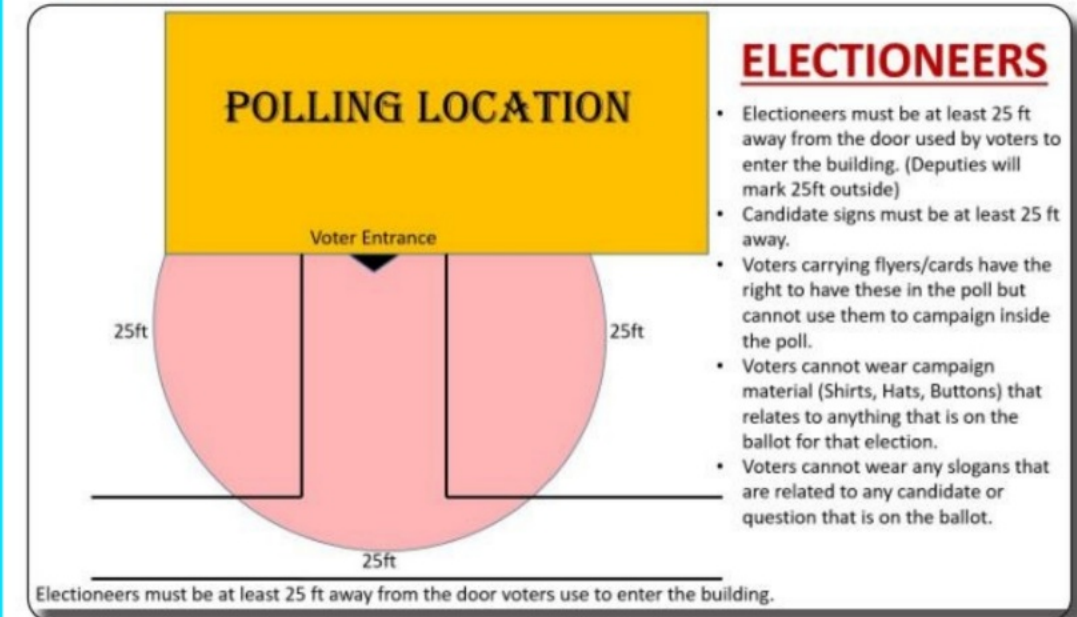

- 25 ft outside from the door voters enter
- Flyers are allowed inside polling location as long as voter does not use it to Electioneer inside

ELECTIONEERING

Missouri State Law states that anyone passing out literature, talking to voters, or otherwise trying to influence voters must be at least 25 feet from the outside entrance to the poll. Election Judges should report any infractions to the Deputies or the Election Board staff.

ELECTIONEERING BY VOTERS

- Voters carrying flyer's/cards have the right to have these in the poll but cannot use them to campaign inside the poll.
- Voters cannot wear campaign material (Shirts, Hats, Buttons) that relates to anything that is on the ballot for that election.
- Voters cannot wear any slogans that are related to any candidate or question that is on the ballot.

ELECTIONEERING BY JUDGES

Judges who are working inside the polling locations may not be wearing any electioneering items that represents any political party, candidate, or issues on the ballot for any election. This includes Hats, shirts, buttons, etc. This includes TALKING ABOUT ANYTHING POLITICAL on Election Day. If you notice any political conversations between judges on Election Day, please call and report the problem to JCEB.

It is the Election Judges responsibility to allow each and every voter to come into the polling location, vote however they want and leave the location knowing that their vote was counted.
