

Photo ID Requirements

Voters should expect to show a photo ID to vote in future elections.

Acceptable ID's

- ★ **Unexpired Missouri driver's license**
- ★ **Unexpired Missouri non-driver's license**
- ★ **Unexpired Military ID with a photo**
- ★ **Unexpired Photo ID issued by Missouri or United States (like a passport)**

If you DO NOT have one of these ID's, you can still vote at your polling location by casting a blue provisional ballot. After Election Day, a bi-partisan team of election judges will check the signature on your provisional ballot envelope to your voter registration signature to count your vote.
